

Curriculum Vitae

Personal data

Name: Sedigheh Sharifzadeh

Nationality: Iranian

Date of birth: 1964/01/19

Place of birth: Iran – Tehran

Address: Shiraz- School of Para Medical Sciences

Phone
09173152327 (mobile)
(0098)(711)-(2289113)(work)

Email: sharifsd@sums.ac.ir

Educational History

2023 Master's in E-learning Planning in Medical Sciences
Virtual School, Shiraz University of Medical Sciences, Shiraz, Iran.

2004 PhD in immunology
Immunology department, Shiraz University of Medical Sciences, Shiraz, Iran.

1992 Doctorate in clinical laboratory science
Shiraz University of Medical Sciences, Shiraz, Iran.

1986 Laboratory technician
Shiraz University of Medical Sciences

Thesis

PhD degree: Establishment and characterization of a cell line from lung large cell carcinoma and determination of target antigens of this line using monoclonal antibody technology, 2004

Doctorate degree: Estimation of iron deficiency anemia among high school girls in Shiraz, 1991

MS degree: Evaluation of the knowledge, attitude, and performance of clinical laboratory science undergraduate students in the practical classes of laboratory science before and during the COVID-19 pandemic, 2023

Training and workshop

2002 Generation of Recombinant Monoclonal Antibodies in Ecoli
National research center for genetic engineering and biotechnology and
institute of research and planning for higher education
Tehran, Iran

2003 Six-month scholarship for completion of PhD degree in Department of Oncology, surrey university in Guildford, England

2006 work shop on quality assurance and GMP of pharmaceuticals
Biotechnology workshops by Cinagen Corporation

2007

Work shop on cell culture. Biotechnology workshops by Cinagen Corporation

2007

Professional History:

Teaching History

1992-1995 School of Paramedical Sciences, Post graduate, Theory and practicum (classroom, laboratory), Hematology-red blood cell disorders, about 20 student

1992-1995 School of Paramedical Sciences, Post graduate, Theory and practicum (classroom, laboratory), Blood bank, about 20 students

1992-2006 School of Paramedical Sciences, under graduate, Theory and Practicum (classroom, laboratory), Blood bank, about 30 students

1992-2000 School of Paramedical Sciences, under graduate, Theory and Practicum (classroom, laboratory), Hematology-red blood cell disorders, about 30 student

- 1995 – 2023 School of Paramedical Sciences, graduate, Theory and Practical (classroom, laboratory), Blood bank, about 40 students
- 1998 – 2023 School of Paramedical Sciences, post graduate, Theory and Practicum (classroom, laboratory) immunohematology, about 6 students
- 1995 – 2023 School of Paramedical Sciences, graduate, supervisor for seminar presentation,
- 2002-2023 School of Paramedical Sciences, Theory and Practical (classroom, laboratory) Basic immunology, about 40 students
- 2009 – 2022 School of Paramedical Sciences, post graduate, Theory (classroom) Advanced immunology, about 6 student
- 2009 – 2023 School of Paramedical Sciences, post graduate, Theory (classroom) cell culture,
- 2009-2023 School of Paramedical Sciences, post graduate, Theory (classroom), Immunoochemistry
- Academic Administrative / Executive appointments and services**
- 1992 Academic staff of Paramedical Sciences Faculty.
Shiraz University of Medical sciences.
- 1992-2000 Head of Clinical laboratory sciences department, Paramedical Sciences Faculty. Shiraz University of Medical Sciences.
- 1994-2000 Head of Khalili hospital laboratory.
ENT educational hospital, Shiraz University of Medical Sciences.
- 2004 -2011 Assistant professor of School of Paramedical Sciences.
Shiraz University of Medical Sciences.
- 2006-2011 Vice- dean for research affairs. School of Paramedical Sciences
Shiraz University of Medical Sciences.
- 2008 -2011 Head of Clinical laboratory science department in School of Paramedical Sciences
Shiraz University of Medical Sciences
- 2008 -2011 Head of Diagnostic laboratory science and technology research center
Shiraz University of Medical Sciences

2011-2014 Vice –dean for education affairs in School of Paramedical Sciences. Shiraz University of Medical Sciences
2015-2018 Vice-dean for education affairs of post graduate management of Shiraz University of Medical Sciences
2017 Scientific chairman of second international congress on blood: New challenges in diagnosis and therapy
2018- Dean of School of Paramedical Sciences

Award

2006 Plaque for excellence in teaching, Shiraz University of Medical Sciences
2013 Selected as active researcher in School of paramedical sciences, Shiraz University of Medical Sciences
2014 plaque for excellence in teaching, Shiraz University of Medical Sciences
2015 plaque for excellence as Doctorate in clinical laboratory Science by 4 related laboratory association
2016 Plaque for excellence in teaching, Shiraz University of Medical Sciences

Membership in professional associations and societies

- 1) Iranian society of immunology and allergy, Iran, 2005
- 2) Iranian association of clinical laboratory doctors, Iran, 2000

Conference and presentations

1993 Prevalence of Iron deficiency anemia and thalassemia minor In adolescent girls in Shiraz.
Fifth International Geographic Medicine Congress. Shiraz University of Medical Sciences
1996 Laboratory diagnosis of thalassemia syndromes.
Thalassemia workshop
Bushehr University of Medical sciences.
1997 Blood group systems.

- Hematology seminar for pathologists and laboratory doctors.
Mazandaran University of Medical Sciences.
- 1997 Laboratory diagnosis of iron deficiency anemia.
Hematology seminar for pathologists and laboratory doctors
Shiraz University of Medical Sciences.
- 2000 Thalassemia syndromes
Hematology seminar for pathologists and laboratory doctors
Shiraz University of Medical Sciences.
- 2002 Interpretation of serologic tests
Immunology seminar for pathologists and laboratory doctors
Shiraz University of Medical Sciences
- 2006 Determination of a 170 KDa membrane associated molecule on non-small carcinoma of the lung.
8th Iranian congress of immunology and allergy
Tehran University of Medical Sciences & Health Services
- 2006 A novel lung large cell carcinoma associated antigen detected by monoclonal Antibody (ME1G6)
8th Iranian congress of immunology and allergy
Tehran University of Medical Sciences& Health Services
- 2006 A novel lung large cell carcinoma associated antigen detected by monoclonal Antibody (ME1G6)
16th European congress of immunology. Paris
- 2008 Production, purification and conjugation of murine anti human CD133 monoclonal antibody.
29th international student conference in biotechnology, 15-17 nov.
- 2009 Production and characterization of ME 1F1 monoclonal antibody against large cell carcinoma with neuroendocrine differentiation.
23th EFI conference 9-12 may 2009.germany
- 2011 The necessity of revision of laboratory science curriculum
The 4th international and 9 national congress on quality improvement in clinical laboratories, April 20-23, 2011 –Tehran-Iran

- 2011 Comparison of assessment system in clinical laboratory sciences internship course
International conference for academic disciplines. may31-june3, 2011 Austria
- 2015 prenatal diagnosis by free fetal DNA
International congress on blood: diseases and clinical administration 11-14 may 2015 yasuj – Iran
- 2017 New insight in to the laboratory diagnosis of non-immune hereditary red cell membrane disorders.
Second international congress on blood: New challenges in diagnosis and therapy .3-5 may 2017 Shiraz – Iran
- 2018 Phosflow assessment of PDGFRA phosphorylation state: A guide for tyrosine kinase inhibitor targeted therapy in hypereosinophilia patient International Symposium on Technological Innovations in Laboratory hematology may 2018

Publications:

Book

- 1995 Golafshan.H .Sharifzadeh .S. Ghahramani.
Basis and laboratory methods in blood Bank. First edition
- 2001 Golafshan.H.Sharifzadeh.S.Ghahramani.M
Basis and laboratory methods in blood bank. Second edition
- 2010 Dr varasteh, Sharifzadeh.S et al
Practical immunology
- 2012 Golafshan.H.Sharifzadeh.S.Ghahramani.M
Basis and laboratory methods in blood bank. second edition
- 2012 Sharifzadeh S
Immunology through questions and answers. first edition
- 2019 Golafshan.H.Sharifzadeh.S.Tamadon.Gh
Basis and laboratory methods in blood bank (Immunohematology). Third edition
